017	To obtain agreement to submit a planning application to Selby District Council for an access gate to be made for the wildflower meadow land JM opened the meeting by explaining that the meeting had been arranged so that a planning application could be made earlier than having to wait until the next PC meeting in March as he believed planning applications were taking some time to be reviewed. He went on to inform the public that a working party had been formed to put together some recommendations to the PC regarding the leased land. JM provided the group with the plan of the land, which demonstrated the two sides of rural fencing and the access gate. The cost for the application was £231. A member of the public suggested the area could be called the Platinum Jubilee Garden. CC confirmed this would be considered. It was agreed that Charlie Forbes Adam should be informed of the potential change of use. The PC approved the working party's recommendation to apply for planning. CC proposed and MW seconded. JM would finalise the planning application before IG sent it to Selby District Council.	JM/IG	Asap
